# INTRODUCTION

Our "Peel and Stick" wallpaper is of stable quality, and great value for money. Place on a clean, dry object or smooth surface and buy enough rolls at a time to make sure they come from the same batch to avoid color difference.

Compared with ordinary wallpaper, it is waterproof, sound-proof, and anti-collision, which is the best choice for any family. It can be used for characteristic walls, dirty walls, children's rooms, bedrooms, living rooms, dining rooms, TV walls, sofa backgrounds, office wall decorations, Smooth Walls, Wardrobe, Desk, Wooden surface, Metal surface, Tile, Glass, Cabinet, etc.
